## ABOUT US

Unisurge® is a Registered Brand and Trademark under Unisurge Enterprises Private Limited, a wide-scoped healthcare dedicated company established in 2020.

Our tagline "Way Beyond Healthcare" as it states, signifies the telescopic nature of our services that would be provisionally expanded in the future of Healthcare Industry.

In the era of the exponentially growing demand of medical supplies during the Covid-19 Pandemic, we started as a trading company with a vision to fulfill the medical needs of people suffering worldwide.

With a wide network of vendors and the company's strong supply chain management, we soon achieved to expand ourselves into Repackaging of Imported Hand Gloves under our own brand Unisurge®. The extensive support of our quality-management team and the trust we were bestowed upon by our frontline workers gave a kick-start to our company.

We feel proud to announce that we were the first company in India to establish a completely dedicated Packaging Facility and Production Line for Covid-Care Supplies, following the launch of our Vaporizers and Unikey®, our next products in segment.
